ESSEX LAND ROVER CLUB

Membership Renewal Form

General

Land Rover enthusiasts in and around Essex formed the Club in July 1983. It became a Limited Company in June 1987.

The aims of the Club are briefly to promote events for Land Rovers and to encourage the use of these vehicles and their equipment for both practical and competitive applications.

Informal off-road driving practice and caravan / camping weekends are also held from time to time.

The club has a ROVER RESCUE section whose purpose is to assist the emergency authorities during times when they may need additional four-wheel drive vehicles and the Club is affiliated to the National 4 x 4 organisation.

A publication is issued bi-monthly to keep members in touch with coming events, publish results, advertisements and to entertain and inform. Discounts on motor spares are arranged where possible.

Several of our members deal in new and used Land Rovers and parts, and can offer technical advice as well as those hard-to-get components, especially for older vehicles.

The Club is a member of the Association of Land Rover Clubs (ALRC) and every member of the ELRC is automatically a Member of the ALRC.

The Club is a registered Motor Club with the Royal Automobile Club Motor Sports Association Ltd (RAC) to take part in competitions promoted or co-promoted by the ELRC Ltd or the ALRC or defined as Clubsport events under MSA regulations and provides a National voice for motor sport, as well as insurance coverage during competitive events.

The Club supports LARA and promotes the sensible and sustainable use of byways.

Family Membership Renewal Fee: £40.00 per annum.

Additional Family Membership Fee: £10.00 per annum.

If Membership of the Club lapses a full year's subscription fee is payable regardless of re-joining date.

Classification of Membership.

Individual Membership – Only the named individual is considered to be the Primary Member of the Club and is able to enjoy such benefits as that may provide, e.g. drive.

Family Membership – An additional adult person (Secondary Member) at the same address as the Primary Member. Both Members are considered full members of the club, and are able to enjoy such benefits as that may provide e.g. drive.

This also covers any children up to the age of 17 years and young adults in full time education who may wish to drive. Added to this grade of Membership can be any number of dependents (partner and/or children) who are not eligible to drive at events, e.g. non-drivers.

Additional Family Member – A family member over 18 years eligible to compete, e.g. drive or passenger, who is a dependent of the Primary Member resident at the same address as the Primary Member.

Recognition of Family Members and Date of birth - So as to enable all children, spouses and non-drivers i.e. dependents, to camp at ALRC events, and have insurance cover, the names of all family members registered with ELRC will be listed on the Primary Member's card. Dates of birth are required for those under 18 year olds.
